Noxious Weed Board

New testimony only --

April Cassell -- 100 of 1 - 2400 Mason Lake Drive West - Milfoil - support activating weed board -- support 1.00 per parcel.

Judd Reynolds - 263 of 1 - Why do we have to fight growth on federal lands.

Legality of assessing new assessment on property tax for a weed program.

Believe apprehensiveness is legitimate.

My main concern is toxins ?

\$75,000 was projected on what the county might charge --

Mary - there are some federal \$ that will be coming back to county that are in lieu of federal forest dollars not getting now. They will have strings and could be used for weed board. It could be used without an assessment. Possibly a staff member could give the county info about other weed boards across the state --

Connie Adams - 726 of 1 - support weed board - if no weed board - state will come in and do that for us --

Nancy Ness -- 36 different sites (complaint) --

Irene Goldsby - 786 of 1 - Have you looked into other counties as to how they administer their weed board? cost? outcomes? Not in favor of weed board at this time.

Ron Ross - Kitsap Weed Board - 869 of 1 - five members who have been active for approx 2 years. Through volunteer boards work with existing government entities. State has two staff employees on their staff weed board. Survey was done by state for Kitsap. Check to see if Mason County also had survey conducted.

No salary for this. All volunteer.

Sandi Dunlap - 1261 of 1 - support establishment of weed board - One stop shopping concept.

Cooperative effort on property owners -

Louis Cofoni - 1402 - Shelton -

vegetation control at road dept is only on right-of-way

1939 of 1- Mary Swoboda - 1710 Belfair Highway - Have done research on internet for Douglas County. 17% of all of Mason County.

Shirley Willickson ? - Mason Lake Drive West - Weeds on Lake - Eurasian milfoil plant.
