Plan Submittal Requirements

Your plan submittal shall include the following:

- Plans shall be on standard 24" x 36" paper, drawn to scale with dimensions and north arrow.
- Site and Floor plan with cross sectional and exterior elevations.
- Location of occupancy and /or area separation walls, partitions, stairway enclosures, concealed spaces, etc.
- Cut sheets and/or references for all new devices.
- Location /description of all new and existing devices.
- Battery calculations.
- Wiring diagrams per floor or zone overlaid on an accurate floor plan.
- Electrical riser diagram showing all zones, circuits, devices, and end –of – line resistors.
- Hydraulic calculations.
- Copy of Contractors bid.

Fees

The permit fee will be assessed based on the submitted contractor bid for the project or a minimum of \$168.50.

A plan review fee will be calculated at 65% of the permit fee (minimum \$109.50) and is due upon submittal of permit application.

Contractor's Affidavit

I certify that I am a currently registered contractor in the State of Washington. I am aware of the ordinance requirements regulating the work for which the permit is issued and certify that all work will be in compliance with this ordinance. No changes will be made without first obtaining approval from the Mason County Fire Marshal.
