**INTERGOVERNMENTAL REQUEST & AGREEMENT
FOR
REIMBURSABLE WORK BY MASON CONSERVATION DISTRICT**

The **SKOKOMISH FLOOD CONTROL DISTRICT** hereby requests that the following described work be performed by the **MASON CONSERVATION DISTRICT**:

Description of work or services requested: Provide professional engineering and environmental consulting services, as needed, for the repair of storm damaged flood control structures in the SKOKOMISH VALLEY.

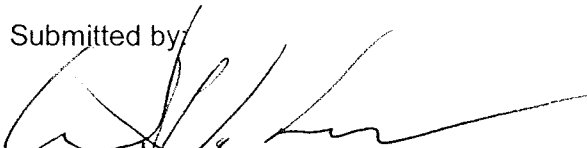

Costs shall be determined on an hourly basis, using rates consistent with the rates paid to the Mason Conservation District under separate agreement by the Mason County Department of Public Works.

The Skokomish Flood Control District certifies that sufficient funds are available to cover the cost of requested work or services.
