RE: Mason County Public Works Open House Event

The Mason County Public Works Department has scheduled an Open House and invites the public to see their new office space. Public Works has remodeled the bottom half of the building located on the corner of North 6th and Alder Street allowing them to consolidate all 29 of the engineers, GIS technicians, biologists, right-of-way staff, accountants and administrative staff under one roof.

The cost to remodel the gutted office space was \$468,200. The Department was formerly housed in two locations, one of which was not in compliance with ADA standards and therefore not open to the public. The new location allows for convenient public access to Public Works staff.

The Open House will be held on Friday, December 12th from 11:00 a.m. to 4:00 p.m. in the lower level of Building 8, 415 North 6th Street, Shelton.

If there are any questions, please contact Karen Dowling, 427-9670, ext. 451.
