RE: 2008 – 2013 SIX-YEAR TRANSPORTATION IMPROVEMENT PROGRAM

On the evening of Wednesday, November 14, 2007, the Transportation Improvement Program – Citizens Advisory Panel (TIP-CAP) approved adding three streets located in the community of Allyn to the 2008 – 2013 Six-Year Transportation Improvement Program (TIP). The Allyn Community Association requested that Wheelwright Street, Wade Street and Masterson Street be included in the Six-Year TIP to serve the growing needs of the Allyn Urban Growth Area. The streets have been identified in Mason County's Comprehensive plan as future county roads.

A public hearing is scheduled for 9:30 a.m., Tuesday, December 4, 2007, at the Board of County Commissioners regularly scheduled meeting to consider the adoption of the 2008 – 2013 Six-Year Transportation Improvement Program.

If you have questions about the Allyn streets or the Transportation Improvement Program, please contact Public Works at (360) 427-9670, ext. 450.
