RE: Planning Advisory Commission Public Hearing on Draft Stormwater Plans
for Allyn and Belfair

The proposed drafts of the Allyn and Belfair Stormwater Management Plans were presented for public review and comment at a public meeting on Wednesday, June 20, 2007 at the Port of Allyn. A significant number of comments were received regarding the plans at that time. In order for the Mason County's Department of Public Works and its consultants to address all the comments received, the public hearing on the Plans scheduled for July 2, 2007 before the Planning Advisory Commissioner has been cancelled and rescheduled for July 9, 2007 at 6:00 p.m. Copies of the revised Plans will be available for public review on Monday, July 2, 2007 at the Belfair, Hoodspout, and Shelton Timberland Libraries and can also be viewed on our website at www.mason.co.wa.us.

For additional information, you may contact Barbara Adkins, at 427-9670, Ext. 286.
