COOLING CENTERS

With the prospect of extreme hot weather conditions, Mason County Public Works in cooperation with several other agencies will open cooling stations beginning Monday, 11:00am – 4:00pm and open through until the weather cools.

Fire District 2 – Theler Center, downtown Belfair
Collins Lake Station, 60 N E Collins Lake Road

Fire District 4 – Main Station, 2970 S E Arcadia Road
Squaxin Station, 3660 S E Old Olympic Highway
(pets will be allowed at these two sites)

Mason County Public Works – 100 West Public Works Drive, Building 1

We want to stress the importance of staying hydrated during this extreme weather. As other sites become available, we will continue to update this information or please contact your local fire district.
