**June 20, 2017**

**MASON COUNTY COMMISSIONERS  
411 NORTH 5<sup>TH</sup> STREET  
SHELTON, WA 98584  
(360) 427-9670 EXT. 747**

TO: KMAS, KRXY, SHELTON-MASON COUNTY JOURNAL, THE OLYMPIAN, SHELTON CHAMBER OF COMMERCE, NORTH MASON CHAMBER OF COMMERCE, CITY OF SHELTON, ECONOMIC DEVELOPMENT COUNCIL, THE SUN

**RE: COUNTY ROAD CHIP SEAL AND RESTRIPIING IN THE MONTHS OF JULY AND AUGUST**

Mason County Public Works would like to notify motorists that our annual restriping and resurfacing or "chip seal" of many county roadways will be in progress during the months of July and August (weather permitting).

Most of our County roads are restriped every year to improve night-time reflectance.

This year's chip seal program will begin on June 26<sup>th</sup> and finish by the end of July, weather permitting. The 2017 chip seal program will cover approximately 38 miles of roads throughout Mason County.

Preparatory work is currently underway and will finish by the end of June, when chip seal begins. Brooming of the roadway continues throughout chip seal and striping operations.

Motorists are advised to expect delays, use caution while driving through the work area and not drive across painted lines.

The County Sheriff's Department will be providing added traffic safety during chip seal and restriping.

The County appreciates motorist taking extra care while this road work is in progress.

For a complete list of county roads being chip sealed or restriped please visit the County Web site at [www.co.mason.wa.us](http://www.co.mason.wa.us), under "What's New", or call the Public Works Department at (360) 427-9670, Ext. 450.
