NOW, THEREFORE, THE BOARD OF COMMISSIONERS OF MASON COUNTY, WASHINGTON,
HEREBY RESOLVES AS FOLLOWS:

Section 1. Resolution No. 95-12 is hereby repealed, amending Chapter 3.48 of the Mason County
Code

Section 2. MRSC Rosters. The County has contracted with the Municipal Research and Services
Center of Washington (MRSC) to have their official rosters hosted in the online database
for County use for small public works contracts, consulting services, and vendor services
developed and maintained by MRSC through MRSC Rosters and the Public Works
Director is authorized to sign the contract.

Section 3. Small Public Works Roster. The following small works roster procedures are
established for use by the County pursuant to RCW 39.04.155:

1. Cost. The County need not comply with formal sealed bidding procedures for the construction,
building, renovation, remodeling, alteration, repair, or improvement of real property where the
estimated cost does not exceed Three Hundred Thousand Dollars ($300,000.00), which includes
the costs of labor, material, equipment, sales, or use taxes as applicable. Instead, the County may
use the Small Public Works Roster procedures for public works projects as set forth in this
resolution. The breaking of any project into units or accomplishing any projects by phases is
prohibited if it is done for the purpose of avoiding the maximum dollar amount of a contract that
may be let using the small works roster process.

2. Publication. At least once a year, MRSC shall, on behalf of the County publish in a newspaper
of general circulation within the municipality's jurisdiction a notice of the existence of the small
works roster and solicit the names of contractors for the small works roster. MRSC shall add
responsible contractors to the small works roster at any time that a contractor completes the online application provided by MRSC, and meets minimum State requirements for roster listing.

3. **Telephone, Written, or Electronic Quotations.** The County shall obtain telephone, written, or electronic quotations for public works contracts from contractors on the appropriate small works roster to assure that a competitive price is established and to award contracts to a contractor who meets the mandatory bidder responsibility criteria in RCW 39.04.350(1). The County may establish supplementary bidder criteria under RCW 39.04.350 (2) to be considered in the process of awarding a contract.

   a) A contract awarded from a small works roster will not be advertised. Invitations for quotations shall include an estimate of the scope and nature of the work to be performed as well as materials and equipment to be furnished. However, detailed plans and specifications need not be included in the invitation.

   b) Quotations may be invited from all appropriate contractors on the appropriate small works roster. As an alternative, quotations may be invited from at least five contractors on the appropriate small works roster who have indicated the capability of performing the kind of work being contracted, in a manner that will equitably distribute the opportunity among the contractors on the appropriate roster. "Equitably distribute" means that the County may not favor certain contractors on the appropriate small works roster over other contractors on the appropriate small works roster who perform similar services.

   If the estimated cost of the work is from one hundred and fifty thousand dollars ($150,000) to three hundred thousand dollars ($300,000), the County may choose to solicit bids from less than all the appropriate contractors on the appropriate small works roster but must notify the remaining contractors on the appropriate small works roster that quotations on the work are being sought. The County has the sole option of determining whether this notice to the remaining contractors is made by:

   (i) publishing notice in a legal newspaper in general circulation in the area where the work is to be done;
   (ii) mailing a notice to these contractors; or
   (iii) sending a notice to these contractors by facsimile or email.

   c) At the time bids are solicited, the County representative shall not inform a contractor of the terms or amount of any other contractor's bid for the same project;

   d) A written record shall be made by the County representative of each contractor's bid on the project and of any conditions imposed on the bid. Immediately after an award is made, the bid quotations obtained shall be recorded, open to public inspection, and available by telephone inquiry.

4. **Limited Public Works Process.** If a work, construction, alteration, repair, or improvement project is estimated to cost less than thirty-five thousand dollars ($35,000), the County may award such a contract using the limited public works process provided under RCW 39.04.155 (3). For a limited public works project, the County will solicit electronic or written quotations from a
minimum of three contractors from the appropriate small works roster and shall award the contract to the lowest responsible bidder as defined under RCW 39.04.010. After an award is made, the quotations shall be open to public inspection and available by electronic request.

For limited public works projects, the County may waive the payment and performance bond requirements of chapter 39.08 RCW and the retainage requirements of chapter 60.28 RCW, thereby assuming the liability for the contractor's nonpayment of laborers, mechanics, subcontractors, material men, suppliers, and taxes imposed under Title 82 RCW that may be due from the contractor for the limited public works project. However, the County shall have the right of recovery against the contractor for any payments made on the contractor's behalf.

The County shall maintain a list of the contractors contacted and the contracts awarded during the previous 24 months under the limited public works process, including the name of the contractor, the contractor's registration number, the amount of the contract, a brief description of the type of work performed, and the date the contract was awarded. The list shall be kept at the Mason County Public Works Department. It is the responsibility of the county representatives' using this process to get the above information to the Public Works Office Manager.

5. Determining Lowest Responsible Bidder. The Board or authorized department head/deputy director or their designee shall award the contract for the public works project to the lowest responsible bidder provided that, whenever there is a reason to believe that the lowest acceptable bid is not the best price obtainable, all bids may be rejected and the Board may call for new bids. A responsible bidder shall be a registered or licensed contractor who meets the mandatory bidder responsibility criteria established by Chapter 133, Laws of 2007 (SHB 2010) and who meets any supplementary bidder responsibly criteria established by the County.

6. Award. All of the bids or quotations shall be collected by the department head/deputy director or their designee.

   a) The department head/deputy director or their designee shall then present all bids or quotations and their recommendation for award of the contract to the Board. The Board shall consider all bids or quotations received, determine the lowest responsible bidder, and award the contract; or

   b) The Board may authorize a department head/deputy director the authority to request informal or formal bids and award for public works projects to the lowest bidder. The Board shall be advised of these awards at the next scheduled Commission Meeting as other business.
