Emergency Manager for Mason County
"Stay Home, Limit Travel, Save Lives"

April 21, 2020 11:30 AM

Information Hotline: 360-427-9670 ext.599

Email: Mason_PIO@co.mason.wa.us

Facebook: MasonCountyWAHazard

COVID-19 KNOWN AS NOVEL CORONAVIRUS:

Mason County has twenty-two (22) confirmed cases of COVID-19 at the time of this release.

Positive cases are located throughout Mason County. Assume everyone, including yourself (with or without symptoms) could have COVID-19 and act accordingly.

MASON COUNTY PUD3:

- Mason PUD 3 to Roll Out Drive-By Wi-Fi Hotspots to Help Students during COVID-19 Emergency (Mason PUD 3, Shelton, WA)
- <https://www.pud3.org/blog/articles--blog/post/mason-pud-3-to-roll-out-drive-by-wi-fi-hotspots-to-help-students-during-covid-19-emergency>
- A list of the proposed hotspots is available on Mason PUD 3's website: www.pud3.org/wifi, which will be updated as they go live.

MASON HEALTH:

- Mason Health has expanded telehealth services in support of patients' health care. Patients can schedule phone consultations and video conferencing with their primary care, behavioral health and specialty providers. Contact your provider for more information -- and check www.masongeneral.com/services/telehealth for updates.
- As we continue to adhere to and navigate directives associated with the COVID-19 pandemic, Mason Clinic has relocated staff within the Clinic to achieve social distancing. Unfortunately, this leaves insufficient space to continue moving additional clinics into Mason Clinic. Therefore, the relocations of Olympic Physicians, currently scheduled for 4/29, and Women's Health, scheduled for 5/20, will be postponed until further notice.
- Anticoagulation services and pregnancy ultrasounds have been relocated to the former MGH Surgery Clinic at 1710 N. 13th Street in Shelton. Please schedule any appointments for these services as usual.
- Mason Health is now accepting donations of cloth masks and we are also now requesting pediatric masks. To donate, send an email to foundation@masongeneral.com.
- If you believe you have symptoms of COVID-19, call our Respiratory Illness Triage Line at 360-427-3615.
- Mason Health also offers Drive Thru COVID-19 Testing. You must call the Respiratory Illness Triage Line before coming to MGH for testing.

- For up-to-date medical service line updates, Hospital and clinic hours changes, visit our website at www.masongeneral.com or our social media platforms – Facebook, Twitter, Instagram and LinkedIn.
