### COVID-19 KNOWN AS NOVEL CORONAVIRUS:

Mason County has forty (40) total confirmed cases of COVID-19, three (3) case are active, with one (1) COVID-19 related death from Mason County at the time of this release.

### **MOVING PHASES:**

Counties continuing moving from one phase to another while we slowly reopen Washington State. Mason County has been in phase two since May 26, 2020 with great success to our businesses and recreational activities. As Mason County continues our planning to move to phase three, businesses and agencies are also working to update their COVID safety plans to include all required necessary protective measures.

### **WASHINGTON COUNTIES SAFE START STATUS:**

- **Mason County** is currently **in phase two** of the Safe Start reopening process. Our County is working on the proposal for applying to phase three including documentation collection, planning, and coordination.
- **Phase one**, six (6). \*Chelan, Douglas and King are in modified phase one
- **Phase two**, twenty-three (23). \*Benton and Franklin Counties have pending phase two applications.
- **Phase three**, ten (10). \*Grays Harbor, Lewis, and Pacific Counties are pending phase three applications.
- **Phase four**, no counties.
- An interactive map is available to help visualize what counties are in what phase of recovery throughout Washington State: <https://coronavirus.wa.gov/what-you-need-know/covid-19-county-variance-application-process>

*\*\*Information last updated June 13, 2020*
