**New Positive COVID-19 Tests in Mason County Residents**

Mason County Public Health was notified of Two (2) additional Mason County residents that tested positive for COVID-19. This brings the total to Fifty-Six (56) positive cases in Mason County. Mason County Public Health is continuing contact interviews. Today's case information is as follows:

New Case Demographics	
Gender	Age
Male	20's
Female	40's

All Case Demographics				
Age Range	Cases	Gender		Deaths
		Male	Female	
0-19	1	0	1	0
20-39	15	4	11	0
40-59	23	12	11	0
60-79	15	10	5	1
80+	2	2	0	0

If you are showing symptoms for COVID-19, early testing is encouraged. At the earliest signs of symptoms please reach out to the Respiratory Illness Triage line at 360-427-3615. They can assist you in scheduling an appointment at Mason Health's Drive Thru COVID-19 testing.

Due to Mason County being a small community, location data of positive cases will not be released to reduce the possibility of patient identification and to protect personal health information. Identified positive cases are located throughout Mason County. Mason County Public Health is asking that the public do their part to help reduce the spread of COVID-19.
