

# MASON COUNTY SUPERIOR COURT

## COURT DATE REMINDER REGISTRATION DETAILS

### Participation in this service is optional and without court fees

- Registering to receive reminders of court hearing dates and times is optional.
- Defendants are encouraged to take advantage of the option, as reminders may result in the avoidance of complications in their cases due to missed hearings.
- All information provided by participants will be used solely to provide court reminder messages to the phone number provided.
- While the Court Reminder system charges no fees to participate in this service, a participant's telephone provider may charge depending on the terms of their contract.

### Defendant is solely responsible for court hearing attendance

- This service does not absolve participating defendants of the responsibility to keep careful records of all court hearing dates and times.
- It remains the defendant's sole responsibility to keep track of court hearing dates and times and to appear at all hearings set by the court.

### Disclaimer

- A defendant's **Official Notice** to appear was provided to him/her in writing at the jail or in a courtroom when appearing before a judge.
- If the defendant receives information from this service that is different from the **Official Notice** the defendant received in writing from the jail or when appearing before a judge, the defendant must comply with the **Official Notice**.
- A defendant's decision to register for this service will have no effect on his/her court case, and will not be part of the defendant's court record.
- While the court and its partners will endeavor to provide accurate and current information through this service, no warranty, express or implied, is made regarding the accuracy, adequacy, completeness, or any other facet of the Court Reminder System.
- The reminders provided by the Court Reminder System are a courtesy and not as a legal notice.
- If the information you receive from the Court Reminder System does not match what you have been told by your lawyer, contact your lawyer to verify.
- Mason County Superior Court and its partners bear no responsibility on any delayed or undeliverable reminders.
