

RESOLUTION NO. 112B-93

UNDERGROUND PETROLEUM STORAGE TANKS

WHEREAS, the Board of Mason County Commissioners met on this date and reviewed all information provided by the applicant business; and

WHEREAS, the Board of Mason County Commissioners finds that the applicant is the owner or operator of a business retailing petroleum products to the public; and

WHEREAS, the Board of Mason County Commissioners finds that other retail suppliers of petroleum products are located remote from the local community; and

WHEREAS, the Board of Mason County Commissioners and Mary M. Knight School District named as individuals responsible for negotiating a cost-plus basis agreement with the applicant, if successful in receiving grant assistance, so that government entities can purchase petroleum products under that agreement; and

WHEREAS, the Board of Mason County Commissioners finds that the applicant is capable of faithfully fulfilling the agreement required by the State of Washington for providing financial assistance; and

WHEREAS, the Board of Mason County Commissioners finds that the applicant, by selling petroleum products in this area, meets a vital local government, public health safety need;

NOW, THEREFORE BE IT RESOLVED, that by official action taken on the 2nd day of November, 1993, the Board of Mason County Commissioners, certifies to the State of Washington that Monica Drummond, dba Matlock General Store should be considered for financial assistance to be used for corrective action and repair, replacement, reconstruction, and improvement of its underground petroleum storage tank(s) and tank site.

The completion of this certification form is a good faith effort on the part of Mason County to certify that the continued operation of Monica Drummond dba Matlock General Store petroleum underground storage tank(s) meets a vital local, public health or safety need. This certification form does not represent comprehensive research of all applicable laws and regulations. Monica Drummond dba Matlock General Store remains responsible for fulfilling all laws, ordinances and regulations in effect at the time that work commences at the UST site.

Signed this 2nd day of November, 1993.
