

RESOLUTION NO. 79-93

FOREST FIRE PROTECTION ASSESSMENT

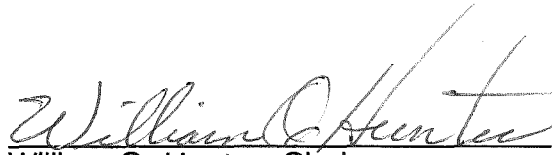

WHEREAS, RCW 76.04.610 states "(1) If any owner of forest land within a forest protection zone neglects or fails to provide adequate fire protection as required by RCW 76.04.600, the department shall provide such protection and shall annually impose the following assessments on each parcel of such land: (a) A flat fee assessment of fourteen dollars and fifty cents; and (b) twenty-two cents on each acre exceeding fifty acres."

WHEREAS, RCW 76.04.610 further states "... (5) The amounts assessed shall be collected at the time, in the same manner, by the same procedure, and with the same penalties attached that general state and county taxes on the property are collected, except that errors in assessments may be corrected at any time by the department certifying them to the treasurer of the county in which the land involved is situated. Assessments shall be known and designated as assessments of the year in which the amounts became reimbursable. Upon collection of assessments the county treasurer shall place fifty cents of the total assessments paid on a parcel for fire protection into the current expense fund to defray the costs of listing, billing and collecting these assessments. The treasurer shall then transmit the balance to the department..."

NOW THEREFORE BE IT RESOLVED, by the Board of Mason County Commissioners that the Mason County Treasurer place fifty cents of the total assessments paid on a parcel for fire protection into the current expense fund as ordered by RCW 76.04.610.
